Standard and Universal PUBG Esports Ruleset

1 Introduction to SUPER

This Standard and Universal PUBG Esports Ruleset (“SUPER”) applies to all Teams (as defined in the applicable tournament participation agreement), Players and Team staff members (including e.g. owners, Representatives, coaches and managers) (collectively “Competitors”) in certain official competitions to be held in the competitive season created by KRAFTON, Inc. (“Krafton”) that feature play of PUBG: BATTLEGROUNDS (“PUBG”) at an elite level, including but not limited to, the PUBG Global Championship, the PUBG Nations Cup, and the PUBG Global Series (“PGS”), any match that is associated with any PGS event or any PGS qualifying event, or any other competition that Krafton identifies as being subject to SUPER (“Competition”). SUPER applies in addition to any other rules supplied by a PUBG Esports tournament. Each Competition operated by Krafton or any third-party designated by Krafton to operate such Competition (each, an “Administration”) shall have additional rules specific to that Competition (each, “Competition Specific Rules”).

1.1 Acceptance of SUPER

By participating in the Competition, Competitors accept and agree to be bound by and comply with SUPER and any Competition Specific Rules and region or other specific rules.

SUPER and any Competition Specific Rules apply to all Competition places, including Competition venue, practice rooms, personal resting space, hotel quarters, etc., and times, including official match times, practice times, personal training times, mealtimes, etc.

1.2 Spirit of SUPER

SUPER is a living document that is intended to establish and reinforce a positive and competitive environment that is defined by sportsmanship and integrity. SUPER will continually be refined and updated to reflect the rules that govern competition worldwide.

1.3 Rule Changes

Krafton or Administration reserves the right to amend, remove, or make changes to SUPER or to issue any rules or regulations that apply to each applicable Competition for any reason at any time. When material changes to SUPER are made the Changelog section will be updated, and updated SUPER will be communicated to Competitors via the appropriate channels. Such communications may occur by way of example and not limitation, by releasing online postings, instructional videos, emails or texts that provide instructions and guidance to Teams and Team Representatives, who will be responsible for distributing updates and other communications relating to SUPER or any other Competition-related rules to other Competitors. Administration reserves the right to make judgement on cases not specifically covered by this document to preserve the spirit of fair play and sportsmanship. Competitors are expected to understand and operate on the latest version of these rules.

2 Player Eligibility

Players on a Team competing in the Competition, including any coaches, managers or other staff members who are alternates eligible to play, (collectively, “Players”), must adhere to the following rules in addition to any eligibility requirements defined in Competition Specific Rules to be eligible to compete in a Competition

2.1 Age

Unless otherwise expressly provided in the Competition Specific Rules or otherwise with Administration’s prior written approval, Players must have reached the age of majority and be at least 18 years of age in order to be eligible to participate. For purposes of clarity, Players must meet such age requirements as of the first day of the Competition to be eligible to participate.

2.2 Player Aliases

Player Aliases are subject to approval by Administration. Administration reserves the right to deny the use of a Player Alias and require a change for any reason. Player Aliases may not exceed 12 characters. Player Aliases may use any combination of uppercase and lowercase letters (A-Z), digits (0-9), underscores (_), or hyphens (-). Player Aliases may not include spaces. Player Aliases must be selected at the time of registration and may not be changed during a Competition, unless required by Administration.

In the event that multiple Players submit identical Player Aliases, Administration will review and determine which Player may use the contested Player Alias. Such determination will be at Administration’s discretion, and may take into consideration multiple factors, including without limitation, a Player’s history of using the contested Player Alias in PUBG Esports, and which Player first submitted said contested Player Alias to the Administration.

Player Aliases must adhere to the following rules. Using alternative spelling to avoid compliance with the following rules is strictly prohibited.

- Player Aliases may not include or resemble the name, trademarks, or other intellectual property, or the name or trademark or other intellectual property of any company that does not own or officially sponsor the Team.
- Player Aliases may not include or resemble any product or service name or description.

that the In-Game Nickname can comfortably fit within the boundaries of any in-game asset. In-Game Nicknames may not exceed 16 characters.

In-Game Nicknames must adhere to the following format.

TAG_PlayerAlias

2.4 Multiple Entries

Players may not compete on more than one team or in more than one region during the same Competition. For the avoidance of doubt, once a Player registers on a team for any regional qualifier for the Competition, the Player may not register or participate for any other team or in any other qualifier for a different region for the same Competition.

2.5 Conflict of Interest

Competitors may not be employees, directors, or officers of Krafton or Administration or any of their vendors related to the Competition.

3 Team Eligibility

Teams must adhere to the following in addition to any eligibility requirements defined by the Competition Specific Rules to be eligible to compete in the Competition.

3.1 Team Tags

Teams are required to specify a Team Tag to be used in their players' In-Game Nicknames. Team Tags are subject to approval by Administration. Administration reserves the right to deny the use of a Team Tag and require a change for any reason. Team Tags must be 2 to 4 characters. Team Tags may only include letters (a-Z) and digits (0-9). Team Tags may not use spaces, underscores (_), or hyphens (-).

Team Tags for all Teams competing in a Competition must be unique globally. In case two or more teams have the same Team Tag, which team can use the Team Tag will be decided in the same manner as provided in section 3.2 for Team Names. Team Tags must adhere to the Code of Conduct.

- Team names may not violate privacy, publicity, intellectual property, or other rights of a third party.
- Team names may not include or resemble any words that are purely commercial.
- Team names may not include or resemble vulgarities or obscenities in any way.

- Team names may not include or resemble all or part of the name Krafton or its affiliates or PUBG or make use of any trademarks or other intellectual property of Krafton or its affiliates without the prior written approval of Krafton.
- Team names must comply with the Code of Conduct.

In the event that multiple Teams submit identical Team Names, Administration will review and determine which Team may use the contested Team Name. Such determination will be at Administration's discretion, and may take into consideration multiple factors, including without limitation, a Team's history of using the contested Team Name in PUBG Esports, and which Team first submitted said contested Team Name to the Administration.

3.3 Native Roster Requirements

Each team roster must consist of at least fifty percent (50%) of Players who are legal citizens or permanent residents from the region it registers to compete in. For the purpose of this section, legal citizenship and/or permanent residency are defined per the laws of each corresponding country. To provide further clarification, if the regional roster rules allow for four (4) members, then at least two (2) must be legal citizens or permanent residents. If the regional roster rules allow for five (5) members, then at least three (3) must be legal citizens or permanent residents.

3.4 Roster Rules

Each team roster must comply with the following rules.

- Team rosters (except for managers) for any Competition must be the same as the team roster that competed in the qualifying event for the Competition or that otherwise qualified or was selected for the Competition.
- Each Team may register a maximum of 6 people in their roster, consisting of a minimum of 4 Players, a maximum of 1 coach, and up to 2 managers. For avoidance of doubt, if a Team decides to register two managers, they: (1) cannot register a coach and (2) forfeit the ability to use the coach as a substitute player. Managers cannot be used as substitute players.
- Prior to the first Match of each day, Teams may decide to utilize their coach as a substitute Player for that day. Once the first Match of the day begins, Teams must play with the same roster for the remainder of that day.
- Each Team must designate one individual as its representative when completing the registration process ("Team Representative"). The Team Representative will be responsible for all Team communications with Administration. Administration may rely upon any communications from the Team Representative as being made by all owners or Players of the Team. A Team may not change its Team Representative during a Competition without Administration's prior written approval.
- A Team may be disqualified from the Competition should it fail to register a minimum of 4 Players (including the coach as a substitute Player) within the period designated for roster submission.
- In the event that a Team has an emergency after the roster submission deadline, the Team may participate in the Competition with a minimum of 3 Players, including the coach as a substitute Player, until the emergency is resolved. Emergency situations will solely be decided by Administration and include, but are not limited to, the following examples.

- Example 1) Serious issues undermining the health of the Player or their family including severe disease/condition, injury, or death (documentary evidence required)
- Example 2) Natural disaster, country-level catastrophe, or other force majeure event in the Player's region/area (such as an earthquake, tsunami, or war)
- Example 3) Issues with local laws facilitating relevant procedures (such as illegal conduct)
- A Team may be issued a Match or Competition disqualification penalty if it fails to meet the 3 Player minimum requirement for any reason.

3.5 Team Ownership

A Team's Slot or right to participation within a Competition will be held by the team. In the situation where the team is owned by a corporate entity, that corporate entity will hold the Slot. In the case where the team is player owned, i.e. a group of players who join together to form their own team, but there is not a corporate entity (or such corporate entity is 100% owned by such players with no player owning more than 50% of the equity of such corporate entity) the Team Representative will be considered the owner for Team Ownership and/or roster rule purposes.

Regardless of the team ownership, each region's Competition Specific Rules may have additional rules which the Team must follow, i.e., roster rules, for a team to maintain their slot. Nothing in this section is intended to restrict regions from creating these additional rules.

The rights granted to the owner in accordance with SUPER may be sold, transferred, or assigned to a third party; provided that (1) the assignee or transferee acknowledges and agrees in writing to assume and be bound by all of the terms and conditions of SUPER and other applicable competition rules and participation agreements; and (2) any such purported sale, assignment or transfer is null and void without the prior written consent of Krafton.

Note that to be eligible a Team's roster must comply with section 3.4 regardless of any ownership change.

3.6 Multiple Team Ownership

To preserve the integrity of the Competition, the following rules apply to any individual, entity or group that owns, operates, controls, or has an interest in a team that is competing in Competition.

- An individual, entity or group cannot directly or indirectly own or operate more than one team globally.
- An individual, entity or group cannot directly or indirectly participate in the financing, operation, marketing, or management of more than one team globally.
- No two teams can operate under the same brand or team name or variations of the same brand or team name in more than one team globally.
- No two individuals, entities or groups that own, operate, control, or have an interest in two different teams can enter into a business or financial relationship with a common interest that can directly or indirectly benefit both parties based on performance in the competition.

3.7 Notice of Extraordinary Events

Team owner or Team Representative shall notify Krafton and Administration as soon as practicable of any suspected or actual breach of SUPER by the Team or any of its Competitors.

3.8 Sponsorships

To preserve the integrity of Competition and the reputation of PUBG and Krafton, neither a team nor any Players shall enter into any sponsorship, endorsement, advertising or similar agreement or relationship to promote drugs and drug paraphernalia, tobacco products, cannabis products, gambling or casinos, alcohol, pornography, any business that promotes the use of in-game hacks, cheats, exploits, skins gambling, or in-game currency farming, any product or service prohibited by applicable law, any competitor of Krafton or its affiliates, any games that are not published by Krafton or its affiliates, and any esports leagues, tournaments or events, other than Competitions, or any business or person offering any of the foregoing. A list of prohibited product or service categories may be updated from time to time by Krafton or Administration. Notwithstanding the foregoing, if requested by Krafton or Administration, during Competition Competitors must use items featuring the official Competition sponsors in any events that are part of the Competition, for example in matches using the computer hardware of the official hardware sponsor of the Competition. Krafton, its affiliates, Administration, or Krafton's broadcast partners may, in good faith, redact or reasonably edit any display or reference to a Team or Player's sponsor's name, logo, trademark, image, or any mark related to the Team or Player's sponsor due to the requirements of applicable platform(s) or legal obligations. Krafton, its affiliates, the Administration, or Krafton's broadcast partners shall not be responsible for any loss, liability, or expense (including, but not limited to, reasonable legal fees) (collectively, "Damages") which any Team, Player, or its sponsor directly or indirectly incurs as a result of such redaction or edit. Team and Player shall indemnify, defend, and hold harmless Krafton, its affiliates, the Administration, or Krafton's broadcast partners from any such Damages.
